REPORT OF BOARD OF HEALTH.

Mason, N. H., Feb. 15, 1909.

With an expression of gratitude to our Great Protector and the Giver of all good, we are enabled to say that no fatal pestilential disease has pervaded our borders the past year and a large degree of health has been our portion and sanitation well maintained. A pronounced scarlet fever in very mild form appeared in the homes of Robert S. Gailey and Chas. H. Flagg and the same were quarantined. No serious results came in consequence of the sickness of the inmates of said houses, excepting the expense and the loss of time. We were called and acted officially in some degree in the cases of the deaths of Wm. A. Wyman and Solomon Dennen, besides various other matters to adjust.

Respectfully rendered,

C. B. GOODWIN,

JOHN T. SMITH,

Board of Health.

Mason, N. H., Feb. 23, 1909.

I have examined the accounts of the Selectmen, Town Treasurer and Tax Collector, and find them correctly cast, with proper vouchers.

ALBERT B. EATON, *Auditor.*

REPORT OF THE SCHOOL BOARD.

To the Citizens of Mason, N. H.

GREETING :—We present herewith the annual report of the School Board for 1909.

Since Sept. 1st we have maintained five schools with good results. At the beginning of the Fall term school was opened at District No. 3. We have been able to keep the same teachers in three of our districts, and also to secure experienced teachers for the other two schools.

Finding it necessary to purchase more arithmetics, we have introduced the Milnes Progressive Series, and think they will prove more satisfactory than the ones formerly in use.

Good regular attendance is one of the marks of a good school, and it needs some exertion and cooperation on the part of parents to secure these results.

Safe and comfortable transportation has been provided for the pupils of District No. 5, but we regret that the attendance has been so small, and our efforts met with so little appreciation.

We have seven pupils attending High School at Townsend, Mass., also one from Dist. No. 6, who goes to Appleton Academy, New Ipswich, as that is nearer than Townsend.

The State is urging the necessity of hiring district superintendents, and we hope to see the time when our schools can be brought to a higher standing by such supervision.

Respectfully submitted,

ANNIE L. CHURCHILL,
ORREN A. HAMBLETT,
JOHN T. SMITH,

School Committee.
